OUR MISSION

Earth Everlasting is the premier non-profit public, a 501(c)(3), conservation law firm organization. We wield the power of law and the strength of partnership to protect people's health, to preserve magnificent places and wildlife, to advance clean energy, and to combat climate change.

A LETTER FROM OUR PRESIDENT & BOARD CHAIR

Dear all, these vibrant, thriving communities, a vibrant, healthy natural world, these are things that we care so much about. As members of the public, we have a responsibility to ensure that our natural resources are protected and preserved for future generations. It is our mission to ensure that our natural resources are protected and preserved for future generations. It is our mission to ensure that our natural resources are protected and preserved for future generations.

PRESERVING THE WILD

Defending Special Places

From the Grand Canyon to the ancient forests of Alaska, our grand wild landscapes are our irreplaceable heritage. It is the work of Earth Everlasting to preserve these places for future generations. We work to ensure that our natural resources are protected and preserved for future generations. We work to ensure that our natural resources are protected and preserved for future generations.

HOW WE WORK

Earth Everlasting is driven by a passion for people and for this environment. We are the only non-profit organization that provides legal representation for the public. We are the only non-profit organization that provides legal representation for the public. We are the only non-profit organization that provides legal representation for the public.

MAKING A LASTING DIFFERENCE

WHAT WE DO

Earth Everlasting works to protect our nation's land, water, and air. We work to ensure that our natural resources are protected and preserved for future generations. We work to ensure that our natural resources are protected and preserved for future generations.

WHERE WE WORK

We have offices in 12 states and 10 countries. We work to ensure that our natural resources are protected and preserved for future generations. We work to ensure that our natural resources are protected and preserved for future generations.

THE POWER OF PARTNERSHIP

We work to ensure that our natural resources are protected and preserved for future generations. We work to ensure that our natural resources are protected and preserved for future generations.

FY2016 FINANCIAL REPORT

The fiscal year 2016 report was made possible by the generous support of our donors. Your support enables us to fulfill our mission and protect our natural resources. We are grateful for the support of our donors and the public.
